

2023 Farmers Market Vendor Information

- We are a Market for growers, bakers and makers. Everything sold must be grown or made by the person selling.
- We have a **zero-tolerance policy** for the resale of products not grown or otherwise produced by the vendor.
- While we strive to be mainly food/produce-oriented, we do accept a limited number of vendors selling hand-crafted items we feel are in keeping with the theme and nature of a Farmers Market. We are not a flea market or craft show-like venue. The Market Director has full discretion to decline a vendor's application.
- All vendors must be approved by Market Management prior to applying. The approval process may include providing photos of items to be sold.
- Cost to participate is \$120 for the entire 15-week season (you must be present at *at least* 12 of the 15 markets), \$150 for the entire 15-week season with a vehicle parking on-site, or \$25/week to be a drop-in vendor. As a drop-in vendor, there will be no additional weekly fee collected after your 10th market attendance.
- Market Directors have full discretion of vendor placements. Special requests will be considered but cannot be guaranteed.
