

2021 Farmers Market Vendor Information

- We are a Market for growers, bakers and makers. Everything sold must be grown or made by the person selling.
- We have a **zero-tolerance policy** for the resale of products not grown or otherwise produced by the vendor.
- While we strive to be mainly food/produce-oriented, we do accept a limited number of vendors selling hand-crafted items we feel are in keeping with the theme and nature of a Farmers Market. We are not a flea market or craft show-like venue.
- All vendors must be approved by Market management prior to applying. The approval process may include providing photos of items to be sold.
- Cost to participate is \$100 for the entire 16-week season (you must be present at *at least* 13 of the 16 markets), \$130 for the entire 16-week season with a vehicle parking on-site, or \$20/week to be a drop-in vendor.
